REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The claims are allowable as the prior art does not show an inflatable curtain airbag with an uninflatable region comprising an expansion panel having fabric outer layers with an intermediate fabric layer and the outer fabric layers having slits formed between the region where the intermediate layer joins the outer layer and the edge of the expansion panel. Heigl shows an inflatable curtain with an intermediate layer between outer layers, however, Heigl does not show the slits or the region being uninflatable. Ritter and Baker also show intermediate layers of interest, but again, both references lack the slits or the uninflatable region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Dunn whose telephone number is 571-272-6670. The examiner can normally be reached on Mon-Fri, 8:30-5:00.
